DISCLAIMER OF LIABILITY

The Trust is a charitable organisation and not a company trading for profit. Its objectives include the fostering of an interest amongst the general public in veteran and classic vehicles. It therefore sets its charges at a modest level.

Whilst the trust will try to ensure that all advertised facilities/features are available, it cannot accept responsibility, for example, if a facility is not available or a feature is reduced compared to former years.

Though the Trust arranges substantial public liability insurance, it cannot accept liability for loss, injury or other damage suffered by visitors to the show or vehicles on the show site except insofar as these are due to the acts or omissions of its authorised agents.

It must be emphasised that what the Trust is offering in exchange for a booking fee is the right to enter the show and site (if applicable) to occupy a stall space as described in the Event Information and T&C’s. Entry to the site is subject to ground and weather conditions. In the unusual event of the show being curtailed or cancelled, no part of the booking fee is refundable.
